Art & Décor

Art and décor are an integral part of the aesthetics of the property. At BAS Hospitality, we sit with the Designers, Operators and Owners to understand their needs and offer custom solutions accordingly. We also have a full-fledged showroom of Global Views, the world-renowned brand for Décor and accessories based in KSA offering a wide variety of different selections to the client.

Artificial Trees and Foliage

With the wide range of projects happening in Saudi Arabia, BAS Hospitality is happy to provide Artificial foliage and Trees for Hospitality as well as residential customers. Our products could be used in restaurants, hotels, hospitals, offices, schools, shopping malls, theme parks, public building etc. Our production team can create custom-made, center-piece arrangements for hotels and villas.

We can provide the below products:

- Artificial or Preserved Green Walls
- Artificial Plants & Flowers
- Artificial Palm and Olive Trees
- Different kinds of Pots and Planters

High End Residential Projects

Our Designer works with the client and understands the specific requirements for their residential projects. Detailed study is done to understand the client needs, design preferences etc. The client is finally presented with a Design vision in 2d-3d made by our Designers.

Production of the project would include coordination with a wide range of production partners from Europe, Asia, Saudi depending on the project vision. BAS Hospitality would be happy to offer an end-to-end service including installation or a part thereof as per the discussion with the client.

Installation Services

To ensure the FF&E looks and feels the way it was manufactured and designed, it's important for an expert in FF&E Hospitality Logistics and installation team to make sure the furniture is handled with the utmost care and professionalism in mind. A lot of money and time had been put into the furniture, so why not treat it that way?
BAS Hospitality assists hotel owners as well as Factories from across the world with Installation and warehousing services for FF&E across Saudi Arabia. Contact our experts today to discuss how we can assist you.
From design to install, we are at your service.
